- ▶ Too good to be true

Money

Did you pay / transfer / lose money to the scammer?

No

Briefly describe the scam (including any information not covered by the questions)

above):

Standard race betting scam - great returns promised (\$40,000-\$60,000pa), manufactured history, pictures in the brochure of happy people spending wildly, serviced office space, etc. I have the brochure (plus a "guarantee" of a refund for losers) which I can scan and send to the ACCC if required.
